Each student is **required** to have the following supplies. They must have these materials with them every day to receive full credit for Classwork and Sketchbook assignments:

Sketchbook-Spiral bound or Hard-covered book bound are best. Please do not purchase a sketchbook that pages fall out of easily. These need to be used all year or at least for one of the two semesters providing another for the remainder of the year.

Wooden pencils and erasers

Black Sharpies 4-6 fine point & 2-4 extra fine point

SUGGESTED SUPPLIES:

Quality Colored Pencils –Prismacolors are best. They also offer Prisma-Scholar which are perfect for students and a little less expensive. (very affordable on Amazon.)

Students may provide a container to keep their personal supplies in, like a clear plastic shoe box or recycled container and a large portfolio (18 x 24 or larger) to fit student artwork. I have some other storage ideas.

Students need to have access to a **digital camera** or phone with camera capabilities and a **personal flash drive**. Website Creation is an important component to this course.

*******Please label all containers and supplies with Sharpie.*******
